Dear Foster,

The hyacinths for Mrs Horsfall were delivered safely by Thomas who met Miss H just on the threshold of No. 30. I may have a note from Mrs H, if I have, I will send it on.

I delivered the other few at Bampton Grange.

I do not know whether Miss Marion Ramsay is at home or not, but if she be, I will probably learn & if so I will get you to send her a few more hyacinths, &c, in a basket. They will go best in one of those baskets on which you have a bar in the coat house.
